IMPORTANT INFORMATION

- Golf Memberships are valid to the Golf Club of Dublin.
- Golf Members (Unlimited, Limited and Junior) Must Present their Golf Membership Card to check in for golf and to receive discounts in the Golf Shop.
- Weekdays are considered as Monday to Thursday. Weekends are considered as Friday, Saturday, Sunday. Holidays are considered a weekend day/rate.
- A golf membership that is purchased, is for the individual and is valid from the dates given on the membership. There are no refunds given to anyone should they not use the golf membership during the given time period the membership was purchased for.
- The riding cart is included in the Unlimited & Limited Memberships. Your membership includes 1 spot on the cart, not the full cart to yourself. You will be asked to share your cart with your playing partners in your group.
- Your normal daily play of golf is included in your membership. Should you play in any golf outings or leagues, you will owe that amount due for that event as your membership does not cover those event fees.
- In regards to Holidays, our courses will be closed each year on Thanksgiving Day and Christmas Day as we take this special time to be with our families.
- There are National Holidays that fall on weekdays that we see as a Weekend Rate rather than a Weekday Rate, and the Limited Members are not permitted to play golf on Weekend Rate Days (Memorial Day, Independence Day, Labor Day) as part of their membership. A paid Trail Fee will need to be purchased to play on these National Holidays.
- During the winter months, December, January, and February, the golf course will open weather permitting. There may be times during these months that the courses could be closed for an extended period of time.
- There may be times throughout the year that the course is not available due to course conditions, planned maintenance, weather, leagues, outings, or other special events.
- Golf Members will be required to enter a credit card number when booking online tee times. Should the golf member no show for tee times, they may be charged a no show fee for all players scheduled to play.
- A Golf Member can manage their online tee times by booking online. Should your group change the number of golfers or you need to cancel, please make this adjustment through your online booking or call the golf shop.
